

Creation of IBM Watson IoT Platform Account And Device:

The screenshot displays the IBM Watson IoT Platform dashboard. The top navigation bar includes the platform name and a user profile for 'koliyarnikhil@gmail.com' with ID 'ffw1lq'. The main content area is titled 'Browse' and features a search bar, a 'Device Simulator' toggle, and a table of devices. A single device with ID 12345 is listed, showing a 'Disconnected' status and 'NodeMCU' type. An expanded view of the device information is shown below the table, detailing its identity, type, addition date, creator, and connection status.
